

FIG. 1

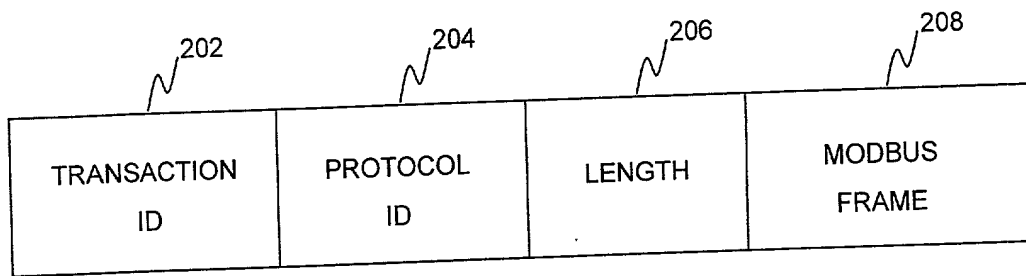

FIG. 2A

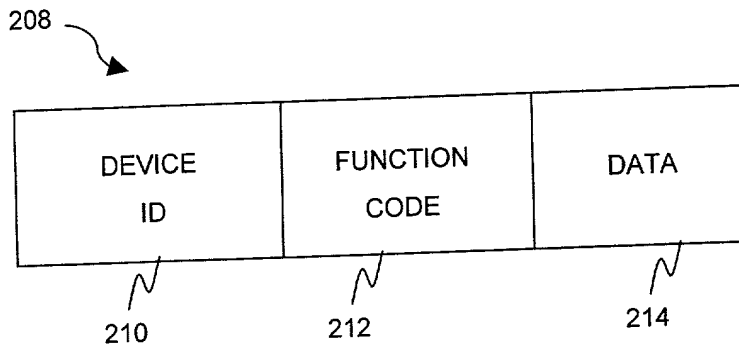

FIG. 2B

A table with three columns and five rows. The first column is labeled 'ENTRY', the second 'IP ADDRESS', and the third 'DEVICE ID'. The first two rows contain specific data, while the remaining three rows contain dots to indicate continuation. Reference numbers point to the top of each column.

ENTRY	IP ADDRESS	DEVICE ID
70	9.12.14.1	1
71	8.11.13.5	202
